

50/50 Club

What is it?

The 50/50 Club is a fundraising initiative that enables its members to win a cash prize every month whilst contributing to the future success of Lanarkshire Carers Centre.

How does it work?

£1 is entered into a draw each month for each active member. Half of the draw fund is donated to the centre and the other half is paid to the prize winner. For example:

Number of active members in month:	100 members
Amount of money entered into monthly draw:	£100
Amount donated to centre:	£50
Prize winner receives:	£50

The prize amount is dependent on the number of active members each month, so the more active members there are, the greater the prize amount!

How much does it cost?

It costs just £12 to join the 50/50 club. This entitles each member to 1 entry a month over a 12 month period.
